

GRADES 2 & 3: THEMES & SPECIAL EVENTS!

Summer Theme: Super Mario Bros!

The coordinators wanted to make the center as bright, fun, colorful, & action-packed as possible for our campers... and what better way to do so then to enter into the world of Super Mario?! Throughout the summer your child will see this theme in not only our décor, but throughout many activities that the staff at Grades 2&3 have planned for all of our wonderful campers!

WEEKLY THEMES

Although our overall theme is Super Mario Bros, there will also be themes dedicated to each week in the summer (ex. Week 2 is "Scavenger Week"). Every Tuesday, there will be activities for all our campers to participate in to honour the theme of the week. These activities will be planned by our (awesome) animators, allowing both them and your child to unleash their creative side! Please note that on Week 4, our theme day will be moved to the Wednesday due to our centre outing on the Tuesday.

Week 1: Welcome Week

The staff at Grades 2 & 3 are looking forward to meeting their new camp family (that is, all of you!) and have a lot of exciting activities planned in order to get to know the campers. We know that your child will still be getting used to their new summer routine at this point – but they shouldn't worry, just come on in with a smile and know that we're all here to have SAFEFUN!

Week 2: Sports Week

Is your child a big sports fan? Then they're going to love what we have planned for them during SPORTS WEEK! Ball hockey, a World Cup themed day and - who can forget – JERSEY DAY, are all happening during this week. It's a great time for your child to let loose and really let those sports skills show! We will also be visited by a dental hygienist on **Friday, July 7th**, to come and speak to our campers about the importance of dental hygiene. In that same afternoon, the campers will be officially welcomed to camp during our amazing annual Carnival Day!

Week 3: Scavenger Week Scavenger Week is all about letting the inner detective and adventurer in each of our campers shine! Your child will get to participate in suspense-filled activities that will also encourage teamwork within their groups. This is also the week of our **moving outing** on **Wednesday, July 12th**, where your child will get to go to the movies along with rest of their friends and the entire camp. Please note that on **Thursday, July 13th**, we will also be having a **bake sale** in the YLC parking lot after camp (4 PM) in order to raise funds for camp activities. Remember, whatever comes in goes towards benefitting our camp programming and ultimately your child's summer camp experience!

Week 4: Science Week

This week is great for discovering the mini scientist that can be found in each one of our campers! It's going to be a week full of experiments, creative activities and of course – crazy science fun! This will also be the week of our centre outing at **Rabbids Amusement Center** on **July 18th** – a fun filled center perfectly targeted for the age groups at Grades 2 & 3! Please make sure that if your child will be participating in this outing, that they do arrive on time to camp (9 AM). Our annual **WALK-A-THON** will also be taking place on **Friday, July 21st**. All of our

campers are gathered for this event where we walk together and raise awareness for different challenges facing the Montreal Community and to also raise funds for the DBYLC.

Week 5: Water Week

Or better yet, call it by its official camp name: WACKY water week! A personal favorite of many animators; water week is great during the hot summer months. It's a great opportunity for our campers to cool off *while* having fun (so get ready to get soaked)! Not to mention, the Wednesday of this week (**July 26th**) will be our universal **Beach outing** where campers will get to have lots of beach fun with their friends!

Week 6: Festive Week

Who says certain celebrations can only happen once a year? At Grades 2 & 3, we're bringing back your child's favorite festivities... in the summer! From our universal Birthday, to our super spooky Halloween day, to honoring the luckiest day of the year – St. Patrick's Day – campers will always have a reason to celebrate! The Friday of this week (**August 4th**) is our annual **Derby Race** (much like Super Mario Karts!) where both animators and campers get to participate in a racing competition in the YLC's very own handmade go-karts.

Week 7: Goodbye Week

Ciao for now! Your child's summer camp journey is now coming to a close... but don't worry, we still have one last hurrah! Our annual **Big Show** will be taking place **Friday, August 11th, at 7 PM**, where campers get to show off their super cool moves that they've been practicing all week long with their animators! At Grades 2&3, we will also be celebrating **Animator Appreciation Day** on Tuesday to honour our wonderful staff & all that they do for camp 😊
